DIT Library Services

An Evolving Learning Environment

The library as a place of learning has seen progressive change. DIT Library Services is listening and responding to the student need for a library service that supports all their learning requirements and learning styles. A service designed to reach them at their point of need.

1m+ Library visits in one year

Staffed opening hours per week across 6 sites

300+

15,272 students in DIT (FTE)

7,855 hours of Digital Literacy classes

127,109 loans in one year

464,334 journal downloads in one year

Face-2-face sessions allow us to reach half of the student body

50%

Online supports allow us to reach everyone

100%

Ask-a-Librarian

Digital Literacy Toolkit

Library Learning: a digital information pack

Library How To Guides - YouTube

DIT Job Space - a collaboration with the Career Development Centre

Digital Skills & Research Hub and research support for all students in development

"The only thing that you absolutely have to know, is the location of the library."
-Albert Einstein

Now the Library is wherever the student is.

Students want:

A physical space to study, collaborate and engage with Library staff face-2-face

A virtual library accessible 24/7

Space

Digital Literacy is essential for today's students and graduates

Library staff share their expert knowledge to help students learn how to find, evaluate and use information in all formats
