HUCBMS 2019

TU Dublin
- Ireland’s First Technological University

A New Approach to Higher Education

Professor David FitzPatrick
President
TU Dublin
Technological Universities are long standing across the globe.

TU Dublin – 1st in Ireland but ...
TU – Mission Statements

**WATERLOO**
where students come to learn how to tackle global challenges

**TWENTE**
Embracing a bold new set of ambitions and raising the bar even higher

**EINDHOVEN**
The world of 2030 will be different from the world we live in now. Our university is going to play a key role in shaping our future

**AALTO**
A community of bold thinkers where science and art meet technology and business — Become a Game Changer.

**AUS TECH**
Solutions with REAL world impact

**GEORGIA TECH**
Leaders in influencing major technological, social and policy decisions that address critical global challenges
National Strategy for Higher Education to 2030

Objectives:

• Increase participation, equality of access & lifelong learning in higher education;

• Excellent teaching & learning and quality of student experience and opportunities;

• High quality, internationally competitive research and innovation;

• Enhanced engagement with enterprise and the community and embedded knowledge exchange; and

• Enhanced internationalisation

- **2011** - Technological Universities proposed (Hunt Report)
- **2012** - TU for Dublin Alliance committed to establishing a Technological University for Dublin.
- **2016** - TU Bill lapsed with the dissolution of the 31st Dáil.
- **2016/17** – TU4D Programme Team established.
- **2017/18** – TU4D Programme Plan Developed.
- **2018** – TU Act passed; Application for TU designation
- **2019** - 1st January – TU Dublin legally established
TU Dublin at a Glance

• 28,500+ Students

• 2019/20 Intake > 5,000 (Levels 6, 7 & 8)

• 13% of all Higher Ed students in Ireland

• ~20% of new entrants via HEAR, DARE & Access programmes

• >25% of all apprenticeship provision

• 2,300 Staff

• Leader in Life long learning and executive education opportunities

• 3,350+ International Students
1962 – first course educating Medical Laboratory Technicians
1966 – first Certificate/Diploma Course
1990 – first degree programme (awarded with University of Dublin, TCD)
2001 – first degree awarded from Dublin Institute of Technology (TU Dublin)

Technological University Dublin - Biomedical Science Recognition

CPD Histopathological Dissection Graduation 2017 (unique programme)

Undergraduate student Labcon Prizewinners

School Annual Research Day

The Irish Laboratory Awards
- Education Laboratory of the Year 2016
- Shortlisted finalist 2017
- Winner 2018

BSc (Hons) Biomedical Science ~40 graduates annually
TU Dublin - Development of Biomedical Science

Underpinned by research in biomedical science & engineering

Extended scope of practice:

• Advanced practice for Medical Scientists
• Med Tech Industry – graduates for Molecular Diagnostic Industries (IVD)
• Continued collaboration with Medical Science Profession, Pharmaceutical, Med Tech and In-vitro Diagnostic Industries

Future Opportunities:
Research
Extended scope of practice
