Seisiún na Maidne: 11.00 a.m.

Morning Session: 11.00 a.m.

Seisiún an Trathnóna: 3.30 p.m.

Afternoon Session: 3.30 p.m.

Fáilte ón Uachtarán

Tá áthas orm fáilte a fhearadh romhaibh inniu, lá deasghnátha agus ceiliúrtha. Tá céimithe, aíonna agus baill fhoirne de chuid DIT Shráid Chaomhín agus Scoil Cheoil agus Drámaíochta na hInstitiúide cruinnithe in Ard-Eaglais mhaorga stairiúil Phádraig ar ócáid bhliantiúil Shearmanas Bhronnta na nGradam.

Is lá iontach é seo daoibh siúd atá ar tí céimnithe. Is buaic é ar na blianta staidéir fhóna san Institiúid agus is marc tábhachtach é i dtógáil bhur saolréanna amach anseo. Tréaslaím sibh as bhur saothar agus bur ngaisce, agus molaim bhur gclanna agus bhur gcairde as a n-íobairt agus a dtacaíocht thar na bliana. Fosta tréaslaím gach ball foirne – idir léachtóirí, teicneoirí, riarthóirí agus lucht cabhráithe eile – as na torthaí ar a sár-obair agus a ndúthracht, ar léiriú sibhse orthu. Sibhe atá ag tosú ar bhur saolréanna, ba mhaith liom féin gach rath a ghuí oraibh amach anseo.

Is lá fíor-thábhachtach é seo freisin i saol na hInstitiúide i gcoitinne mar is marc foirmiúil é ar aistiriú nua-eolais agus scileanna chuig glún daoine óga, d'fhonn dul chun cinn leanúnach a chinntiú i bhforbairt na tíre agus an gheilleagair. Tá sé de cheangal ar an Institiúid an t-am ar fad an caighdeán is airde a bhaint amach, trí chúrsaí acadúla ard-leibhéil a choimeád ar siúl agus áiseanna oideachais agus deiseanna forbartha a dhéanamh insroichte do dhaoine de gach aois as gach cearn den tír. Bíonn cúrsaí lánaimseartha agus páirtaimseartha ar fáil anseo ó mhaidin go hoíche. Taobh istigh den Institiúid bíonn tréaniarracht á déanamh an t-am ar fad na foirgnimh a fheabhsú, na trealaimh shaotharlainne a athnuachan agus na háiseanna tacaíthe a fhorbairt. Earcaítear baill fhoirne den chaighdeán is airde ina réimsí cuí agus spreagtar iad a gcuid eolais a leathnú tré thaighde agus fhorbairt. Déanann an saothar seo, is cuma acadúil nó feidhmeach é, caighdeán acadúla a ráthú, cinntíonn go bhfuil cláracha na hInstitiúide ábharta maidir le cúrsaí tráchtála, tionsclaíochta agus ealaíona, agus cothaíonn seirbhís den chéad scoth do na mic/iníonacha léinn.

Is í an DIT an chéad Institiúid náisiúnta de leibhéal ollscoile a chuir próisis chuimsitheacha Chinntiú Caighdeán i gcrích maidir lena cláracha uile. Tá an obair cheannróideach seo lánach don aidhm go mbainfeadh an Institiúid caighdeán acadúla agus éacht den chéad scoth amach i ngach Scoil. I rith na bliana seo caite rinne painéal idirnáisiúnta saineolaithe, iad acadúil agus tionsclaíoch, meastóireacht mhion ar an gcóras Cinntiú Caighdeán seo thar ceann an Údaráis um Ard-Oideachas (HEA). Mar thoradh ar a dtuairisc siúd, mhol an HEA féin gur cheart don Aire Oideachais an chumhacht reachtúil a thabhairt don Institiúid céimeanna príomhúla agus iarchéime dá cuid féin a bhronnadh. Gríosaímid an tAire an moladh seo a ghlacadh gan mhoill mar táimid cinnte de go dtabharfaidh an fhorbairt seo aitheantas cuí don raon leathan imeachtaí de leibhéal ollscoile atá ar siúl i láthair na huaire san Institiúid agus go spreagfaidh sí cúrsaí agus cláracha dinimiciúla nua ar fud na hInstitiúide a bhainfidh amach buntáistí eacnamaíochta níos fearr ná go dtí seo.

Rinne an Institiúid éacht maidir le forbairt an oideachais go dtí seo. Tá a thuilleadh le tabhairt aici amach anseo mar Institiúid iomlánaithe de leibhéal ollscoile.

Dr. Brendan Goldsmith (*Uachtarán*)

Welcome from the President

I am pleased to extend a warm welcome to you on this day of ceremony and celebration. Graduands, guests and staff of DIT Kevin Street and DIT School of Music and Drama are gathered here in the historic and magnificent surroundings of St. Patrick's Cathedral, on the occasion of the annual Graduation Ceremony.

This is a wonderful day for those of you who are about to graduate. It marks the culmination of several years of productive study in this Institute and is a significant milestone in the formation of your careers. I congratulate you all on your work and achievements, and commend your families and friends on their years of sacrifice and support. The staff of the Institute – lecturers, technicians and those in administrative and support functions – I also congratulate on the results of their outstanding work and dedication, which you represent. As you embark on your careers, I would like to express my best wishes for your future success in life.

This is also an important day in the life of the Institute as it formally marks the passing of modern knowledge and skills to a new generation of young adults, thereby ensuring continuing progress in the development of this country and its economy. DIT continues in its commitment to the pursuit of excellence through maintaining high academic standards and providing educational facilities and development opportunities which are accessible to all age groups in the community. Facilities are provided for both part-time and full-time study through both day and evening courses. There is continuing effort to improve buildings, update laboratory equipment and improve support facilities. Staff, required on the basis of the attainment of the highest standard of excellence in their respective fields, are encouraged to advance their knowledge through involvement in research and development. This work, whether academic or applied, not only guarantees academic standards but also ensures relevance to the needs of the commercial, industrial and artistic worlds and sustains a very high level of service to students.

DIT is the first national university-level institution to adopt comprehensive Quality Assurance procedures in relation to all its programmes. This pioneering activity is central to the attainment of the best possible academic standards and performance in every School. During the past year an international panel of experts from industry and education, carried out a detailed evaluation of this system of Quality Assurance on behalf of the Higher Education Authority (HEA). As a result of their report, the HEA recommended to the Minister for Education that the statutory power to award both primary and postgraduate degrees be given to DIT. We urge the Minister to adopt this recommendation without delay, certain that this development will give due recognition to the range of university-level activities currently undertaken in the Institute, and inspire dynamic new courses and programmes throughout the Institute which will have significantly increased economic benefit.

DIT has a proud record of educational achievement. It has much more to contribute in the context of its emergence as an integrated, university-level Institute.

Dr. Brendan Goldsmith (*President*)

Clár an tSearmanais Order of Ceremony

Organ Music: John Dexter, Organist, St. Patrick's Cathedral

Recital: Dublin Institute of Technology Concert Band, *Conductor:* William Halpin
*By kind permission of Brighid Mooney-McCarthy, Head, Department of
Orchestral Studies, DIT School of Music*

First Suite in *Eb* (Holst)

Nimrod (Elgar)

Academic Procession (Organ)

Address of Welcome: Dr. Matthew Hussey, Director, Faculty of Science

Conferring of Diplomas and Certificates

Announcement of Prizes

Graduation Address: Dr. Brendan Goldsmith, President

Recital: Academic Festival Overture (Brahms)

Academic Procession (Organ)

Recital: Festival Overture (Shostakovitch)

**At the end of the ceremony all guests are requested to remain in place while
the newly conferred graduates leave the Cathedral in procession.**

Ard-Eaglais Phádraig

Meastar go raibh ionad eaglasta léinn ar an láthair seo ó aimsir Phádraig Naofa féin agus leis na cianta bhí tobair bheannaithe Phádraig sa pháirc atá taobh leis an Ard-Eaglais. Bhunaigh Ardeaspag Comyn, an chéad ardeaspag Gallda ar Bhaile Átha Cliath, coláiste anseo sa bhliain 1191 agus rinneadh ard-eaglais aisti i 1213. I rith a startha bhí an ard-eaglais ina dún, ina príosún, ina cúirt dlí, ina ollscoil – agus ina stábla má luaitear cuairt Chromail uirthi – chomh maith lena gnóithe eaglasta.

Fuair na hUigínigh ón bhFrainc dídean adhartha anseo tar éis 1660 agus adhlacadh Schomberg, ceannfort de chuid Liaim Oráiste, anseo i ndiaidh cath na Bóinne. Bhí Jonathan Swift iomráiteach ina Dheán anseo idir 1713 agus 1745, agus tá sé adhlactha i gcorp na heaglaise faoi mharmar dubh agus a fheartlaoi fhéinscríofa air sin. Cinnte tá leachtanna cuimhneacháin ar fud na hArd-Eaglaise a chuireann gnéithe dár stair agus dár n-oidhreacht i gcuimhne dúinn – clann Robert Boyle, ceannródaí na céimice; an Cearallánach, an bard deireanach; Lover, an cumadóir amhrán; Lecky, an staraí; Balfe, an cumadóir ceoil; agus Dubhlás de hÍde, bunaitheoir Chonradh na Gaeilge agus céad Uachtarán na hÉireann.

Thóg Henry Willis an t-orgán ollmhór i 1902 agus meastar gur sárshaothar dá chuid é.

Achóiríodh an Ard-Eaglais i ndiaidh 1865 trí fhéile Shior Benjamin Guinness agus chuir an obair seo bun-phlean agus bun-dearadh siméadrach an fhoirgnimh ar ais, rud a bhí ceilte leis na céadta. Mar thoradh ar an obair sin, tá an Ard-Eaglais againn anois, ó thaobh ailtireachta de, den chuid is mó mar a bhí nuair a tógadh den chéad uair i timpeall ocht gcéad bliain ó shin.

St Patrick's Cathedral

It is believed that there was an ecclesiastical school on this site since the time of St. Patrick himself. For ages there was a holy well named after him in the park beside the Cathedral. Archbishop Comyn, the first English Archbishop of Dublin, founded a college here in 1191 and it became a cathedral in 1213. During its history the Cathedral has been a fortress, a prison, a court of law, a university – and a stable if one takes Cromwell's visit into account – as well as fulfilling its ecclesiastical functions.

The Huguenots from France found shelter for worship here after 1660 and Schomberg, the Commander of William of Orange, was buried here after the Battle of the Boyne. The famous Jonathan Swift was Dean here between 1713 and 1745, and is buried in the nave under a black marble stone on which is inscribed the epitaph which he wrote himself. There are memorials throughout the Cathedral to remind us of different aspects of our history and heritage: the family of Robert Boyle, the pioneer of chemistry; Carolan, the last of the bards; Lover, the song-writer; Lecky the historian; Balfe, the composer; and Douglas Hyde, founder of Conradh na Gaeilge and first President of Ireland.

Henry Willis built the present massive organ in 1902 and this is generally considered to be his masterpiece.

The Cathedral was restored through the generosity of Sir Benjamin Guinness after 1865 and this work of rescue restored the original plan and symmetrical design of the building which had been obscured for centuries. As a result, the Cathedral as it now stands, has for the most part the main original architectural features of eight hundred years ago.

Céimithe 1996 Graduates 1996

Proposer/Moltóir: Angela Ryan
Head, School of Languages

Diplóma i dTeangacha agus Ghnó Diploma in Languages and Business

Duaistheoirí 1996 Prizewinners 1996

THE BRIAN O'KEEFFE AWARD

Established in 1978 in memory of Brian O'Keefe, Lecturer in the Chemistry Department. Awarded to the best student in the Technician Diploma in Applied Science (Chemistry).

Anita McConigly

BOLANDS CUP Established in 1978. Awarded by Bolands Mills Ltd. to the best student in Bakery Technology in the Diploma in Bakery Production and Management.

Sonya Marie Browne

THE HARTE-BARRY OPTOMETRY PRIZES Established in 1981. Presented to the two best students in the Diploma in Optometry and sponsored by Bord na Radharcmhastóirí in honour of its first Registrar, Ivor Harte-Harry.

**Audrey Egan
Kerril Hickey**

ERICSSON PRIZE Established in 1983. Sponsored by Ericsson Business Communications and awarded to the best student in the Diploma in Computer Science.

Mark Waters

LOCTITE MEDAL Established in 1986. Awarded to the best student of the Technician Diploma in Applied Science, (Chemistry or Physics).

Anthony Brennan

CARDIAC SERVICES PERPETUAL AWARD Established in 1986. Awarded to the best student in the Technician Diploma in Applied Science (Physics).

Anthony Brennan

INSTITUTE OF IRISH BAKERS CUP

Established in 1978. Awarded to the best student in Production and Business Planning in the Diploma in Bakery Production and Management.

David O'Donnell

I.B.M. AWARD Established in 1987. Awarded to the student with the best project in the Diploma in Computer Science.

**Mark Waters
Vincent Canning**

CARA AWARD OF MERIT Established in 1988. Silver medals presented by Cara Data Processing to the best graduate of the Honours Diploma in Electrical/Electronic Engineering (Electronics, Computers and Communications Option).

Mark Doyle

THE NELTRONIC SCHOLARSHIPS

Established in 1988. Two scholarships presented by Neltronic Ltd. to the best students in Technician Engineering Diploma in Telecommunications and Electronics and Technician Diploma in Electronics.

**Yvonne Gavin
Eoin Coakley**

THE JOE GUY MEDAL Established in 1988. In memory of Joe Guy, lecturer in Physics. Awarded to the best Project in the Technician Diploma in Applied Science (Physics).

Anthony Brennan

TUCHENHAGEN AUTOMATION AWARD Established in 1996. Awarded by Tuchenhagen Automation to the best student in the Honours Diploma in Electrical/Electronic Engineering (Factory Automation and PLC Option).

Catherine Blake

FRENCH LANGUAGE BOOK PRIZE

Established in 1988. Awarded by the Ambassador of France to the best student in French in the Diploma in European Languages and Business.

Susan Healy

GERMAN LANGUAGE BOOK PRIZE

Established in 1988. Awarded by the Ambassador of the Federal Republic of Germany to the best student in German in the Diploma in European Languages and Business.

Fiona Ryan

SPANISH LANGUAGE BOOK PRIZE

Established in 1988. Awarded by the Ambassador of Spain to the best student in Spanish in the Diploma in European Languages and Business.

Caitríona Ní Mhaolmhuaidh

THE R. J. WILTSHIRE MEDAL

Established in 1989. In memory of Reggie Wiltshire, former President of the Irish Professional Photographers' Association and awarded to the best student in the Diploma in Photography.

Emmet Hegarty

DOHLER/J.E. O'BRIEN AWARD

Established in 1991. Awarded by J.E. O'Brien & Sons Ltd. and Dohler UK to the best student in the production of patisserie and flour confectionery products in the Diploma in Bakery Production and Management Course.

Susan Frances McCabe

JOHNSON AND JOHNSON ACUVUE™

AWARD Established in 1991. Awarded by Johnson & Johnson (Ireland) Ltd. to the best student in Advanced Contact Lenses in the Diploma in Optometry.

Audrey Egan

B.M. BURKE AWARD Established in 1991. Awarded by B.M. Burke & Co. Ltd. to the best student in Microbiology and Hygiene in the Diploma in Bakery Production and Management Course.

Mary Angela Quinn

MITSUBISHI AWARD Established in 1992. Awarded to the student with the best project in the Honours Diploma in Electrical/Electronic Engineering (Control Option).

**Sebastian Litaize
Garvin Sheppard**

BAKELS AWARD

Established in 1992. Awarded by Irish Bakels Ltd. to the best student in both Bakery Technology (Flour Confectionery) and Business Administration & Financial Control in the Diploma in Bakery Production and Management.

Anita Mary McGrath

ELECTRICITY SUPPLY BOARD

PRIZE Established in 1992. Awarded to the best student in the Electrical Power Option of the Honours Diploma in Electrical/Electronic Engineering.

Denis McCarthy

LSL PHOTO LABS AWARD Established in 1993. Awarded to student with the best portraiture portfolio in the Diploma in Photography.

Eithne Walsh

SIÚCRA AWARD Established in 1995. Awarded by Siúcra Éireann to the best student in Raw Material Analysis and Production Techniques in the Diploma in Bakery Production and Management.

Gerald Tierney

LABORATORY INSTRUMENTS & SUPPLIES (I) LTD. PRIZE Established in 1995. Awarded to the best student in the Technician Diploma in Applied Science (Biology Option).

**Susan Gaines
Chantelle McCann**

Traidisiún Láidir Oideachais Theicneolaíochta ar Shráid Chaoimhín

Bunaíodh an chéad scoil theicniúil ar Shráid Chaoimhín i mí Dheireadh Fómhair 1887. Faoi bhliain 1891, nuair a reachtaíodh an tAcht um Theagasc Teicneolaíochta in Éirinn, bhí 513 mac léinn ar an rolla, méadú mór ón 78 a bhí ann ar dtús. Chuaigh Bardas Átha Cliath i bhfeighil na scoile i 1893 agus fuair deontaisí chun trealamh saotharlainne a sholáthar. Leathnaigh an scoil go dtí uimhir 37 Shráid Chaoimhín ansin agus faoi 1897 bhí 925 mac léinn ag freastal uirthi. Tógadh scoil nua a bhí níos mó fós ansin, scoil a d'osclaíodh i 1901.

Tar éis bhunú an stáit athraíodh cúram maidir le teagasc na teicneolaíochta ón Roinn Talmhaíochta go dtí an Roinn Oideachais i 1924. Ansin i 1930 tháinig an tAcht um Ghairm-Oideachas i bhfeidhm agus ina dhiaidh sin bhí an scoil faoi chúram Coiste Ghairm-Oideachais Bhaile Átha Cliath. Ag deireadh 1938 bhí breis agus 2,000 mac léinn (idir daltaí lae agus oíche) ar na rollaí. Aistríodh cuid de na cúrsaí go dtí scoileanna eile sa chathair chun an brú a mhaolú.

I 1940 cuireadh cúrsa um dheisiú raidió ar bun chomh maith le cúrsaí réamh-ollscoile sna hábhair eolaíochta; i 1942 bunaíodh cúrsa trí bhliain san innealtóireacht raidió, cúrsaí sa radharcmhastóireacht, phoiticéireacht agus radaghrafaíocht, agus cúrsaí céime de chuid Ollscoil Londain. Ba sna blianta sin a tháinig cruth choláiste thrú leibhéil ar an scoil.

I 1963 tosaíodh ar an bhfoirgneamh atá againn inniu a thógáil, agus osclaíodh an coláiste nua go hoifigiúil i mí Mheithimh 1968, Timpeall an ama sin bunaíodh cúrsaí speisialta do theicneoirí, teicneoirí innealtóireachta i 1960, teicneoirí saotharlann leighis i 1963 agus teicneoirí eolaíochta i 1969. Ba sa bhliain 1968 a thosaigh an coláiste ar a chuid ghradam féin a bhronnadh agus i 1975 rinneadh ceangal páirtneireachta acadúla idir an coláiste agus Coláiste na Tríonóide chun céimeanna na hOllscoile san eolaíocht, sa daonbheathú agus san innealtóireacht a bhronnadh ar mhic léinn a bhaineann amach gradaim chuí ar leith de chuid an choláiste.

Sa bhliain 1978 nascadh sé choláiste thrú leibhéil sa chathair – ina measc an coláiste seo – le chéile chun Institiúid Teicneolaíochta Bhaile Átha Cliath a chruthú, fós faoi réim Choiste Ghairm-Oideachais Bhaile Átha Cliath. Cuireadh leathnú ar an gcoláiste i 1988 – 25 seomra ranga, leabharlann nua agus bialann nua. Ar 1 Eanáir 1993 tháinig Acht Institiúid Teicneolaíochta Bhaile Átha Cliath i bhfeidhm, rud a bhunaigh an Institiúid mar aonad neamhspleách ar an gCoiste Gairm-Oideachais.

Faoi seo tá timpeall 5,000 mac/iníon léinn againn, 2,600 díobh lánaimseartha agus 200 díobh ag gabháil le cláracha iarchéime. Tá taighde iarchéime ag méadú an t-am ar fad agus béim á chur air. Tá deontaisí chuige seo á mealladh ag ár mbaill fhoirne ó eagrais agus ó chomhlachtaí in Éirinn agus san Eoraip. San athstruchtúrú atá ar siúl san Institiúid neamhspleách nua i gcoitinne, tá sé i gceist go mbeidh an Institiúid leagtha amach ina dámha. San am díreach amach romhainn beidh Dámh na hEolaíochta agus leath de Dhámh na hInnealtóireachta lonnaithe ar Shráid Chaoimhín. Tá sé leagtha orainn go leanfar go dúthrachtach le soláthar cúrsaí agus seirbhísí den scoth sna heolaíochtaí agus sna teicneolaíochtaí, do mhic/iníonacha léinn na cathrach agus na tíre, do chomhlachtaí gnó agus don tsochaí ina hiomláine, amach anseo.

A Strong Tradition of Technological Education in Kevin Street

The first technical school on Kevin Street was founded in October 1887. By the year 1891, when the Technical Instruction in Ireland Act was enacted, there were 513 students, a huge increase from the 78 at the start. Dublin Corporation took over the running of the school in 1893 and obtained grants to provide laboratory equipment. The school then spread to number 37 Kevin Street and by 1897, there were 925 students attending. A new larger school was built and opened in 1901.

After the founding of the state, responsibility for technical instruction passed in 1924 from the Department of Agriculture to the Department of Education. Then in 1930 the Vocational Education Act came into force and after that the school came under the jurisdiction of the City of Dublin Vocational Education Committee. At the end of 1938 there were more than 2,000 (both day and evening) pupils on the rolls. Some courses were transferred to other schools around Dublin to relieve the pressure.

In 1940 a course in radio servicing as well as pre-university courses in science subjects were initiated; in 1942 a three-year course in radio engineering, courses in optometry, pharmacy and radiography, and degree courses of the University of London were begun. It was in those years that the school took shape as a third level college.

In 1963 the construction of the present college building was begun and it was officially opened in June 1968. Around that time special courses for technicians were initiated, engineering technicians in 1960, medical laboratory technicians in 1963 and science technicians in 1969. It was in 1968 that the college began to confer its own awards and in 1975 an academic partnership link between the college and Trinity College was formed so that University degrees in science, human nutrition and engineering, would be conferred on students who obtain appropriate awards of the college.

In 1978 six third level colleges in the city – including this college – were amalgamated to create the Dublin Institute of Technology (DIT) under the aegis of the City of Dublin Vocational Education Committee (CDVEC). An extension to the college was completed in 1988 – 25 class rooms, a library and restaurants. On 1 January 1993 the DIT Act was implemented to establish the Institute as an entity independent of the CDVEC.

At the present time we have about 5,000 students, 2,600 full-time and 200 engaged in postgraduate programmes. Postgraduate research is increasing and emphasis is being laid on developing this work. Grants to carry out this work are being attracted by staff members from organisations and companies in Ireland and further afield in Europe. In the re-structuring underway in the new independent Institute, it is being organised into faculties. In the immediate future the Faculty of Science and part of the Faculty of Engineering will be located in DIT Kevin Street. We are determined, in the years ahead, to continue faithfully to provide courses and services of the highest standard to students from the city and the country, to commercial companies and to society in general.

Céimithe 1996

Graduates 1996

*Proposer/Moltóir: **Brid Ann Ryan***
Head, School of Biological Sciences

Teastas san Eolaíocht Shaotharlann Leighis

Certificate in Medical Laboratory Sciences

Bergin, Stephen Francis
 Clarke, Niamh Catherine
 Coffey, Joseph Anthony
 Collins, Catherine
 Dermody, Josephine Teresa
 Fitzpatrick, Emma
 Fogarty, Eileen Frances
 Holden, Fiona
 Kilroy, Niamh
 McCormack, Grainne

McCormack, Olwyn
 McDonagh, Karen
 McElhinney, Sandra Louise
 Ní Laoi, Bairbre
 Nolan, Catherine
 O'Brien, Joan
 O'Rourke, Jean Marie
 Raditapole, Noosi Iddo
 Whelton, Breffnie Marie

Diplóma san Eolaíocht Bhith-Leighis

Diploma in Biomedical Sciences

Graduates of this course also qualify for the award of BSc (Applied Sciences) from the University of Dublin with the same classification as achieved in the Diploma in Biomedical Sciences

Baker, Heather
 Bredin, Linda
 Butler, Karen
 Clarke, Fionnuala
 Crosbie, Brenda
 Cummins, Robert Joseph
 Curley, Margaret Ann
 Diaho, Mosilinyane
 Donnelly, Samantha
 Dunne, Padraic James
 Early, Frances
 Egan, Regina
 Goode, Denise Mary
 Goss, Marie Frances

Harte, Rosemary
 Kirwan, Aisling Dorothy
 Lambert, Mark David
 Leavy, Jacqueline
 Lebina, Mathabo
 Leydon, Irene Anne
 McDonald, Denise Mary
 Mulcahy, Róisín
 Nathan, Julie Stella
 Ní Luanáigh, Michelle
 Philpott, Niamh Marie
 Roche, Caroline Josephine
 Whooley, Deirdre Mary

Dioplóma san Eolaíocht Bhia
Diploma in Food Science

Allen, Barbara
Hennessy, Carmel
Joyce, Margaret Patricia
Kett, Etain
Malone, Ann Catherine

McGee, Margaret
O'Connor, Fiona
Pierce, Barbara Louise
Watt, Gerard Thomas

Dioplóma Céimí – Bhallraíochta in Institiúid Eolaíocht agus Teicneolaíocht Bhia
Graduate Membership Diploma of the Institute of Food Science & Technology

Brophy, Thomas
Burns, Yvonne Bernadette
Crowley, Eugene Patrick
Doohan, Kathleen Ann
Dunne, Juanita Sonya
Faulkner, Roisin
Hegarty, Rachel
Hennessy, Carmel
Hickey, Paul Thomas
Hillard, Liam
Horan, Maeve Gabrielle
Kearney, Patrick Joseph
Kenny, Frances

Kerr, Christina Marie
Kett, Etain
Ledwith, Carol
Nolan, Sarah Louise
O'Grady, Cathal Richard
O'Grady, Colette
O'Kennedy, Celine
O'Neill, Jacqueline
Sweeney, Michael
Thornton, Eileen Mary
Walsh, Deirdre Ann
White, Carolyn

Proposer/Moltóir: Christopher Cowley
Head, School of Electronic and Communications Engineering

Teastas Teicneora sa Leictreonaic
Technician Certificate in Electronics

Byrne, Alan Peter
Byrne, Barry
Clancy, John Paul
Connolly, Matthew Oliver
Culleton, James William
Delaney, Trevor
Dixon, Gavin
Dowling, Marie Claire
Dwane, Tristan
Fitzgerald, Mark Edward
Garvey, Cathal
Gilsenan, Stephen James
Hughes, Paul
Kiersey, Leonard Colin
Love, David Daniel

Lynch, Dermot
McDonagh, David Michael
McElhinney, James Daniel
Mould, Simon Francis
O'Higgins, Martin
O'Neill, Gerard
Porter, Sylvia
Power, Brian
Quinn, Louise
Shortall, David
Smith, James Thomas
Sunderland, Colm Michael
Ward, Fearghal
McFadden, Eamonn

Proposer/Moltóir: Jonathan C. Fisher

Head, School of Control Systems and Electrical Engineering

Diplóma Teicneora san Innealtóireacht – Innealtóireacht Leictreach
Technician Engineering Diploma – Electrical Engineering

Adams, Victor Gary
 Bracken, Denis
 Bracken, Thomas Joseph
 Brady, Cormac Martin
 Byrne, Emmett Patrick
 Cullen, Paul Eamonn
 Doyle, Rory
 Dunne, Alan Peter
 Farrelly, Niall
 Foster, Barry Joseph
 Gantley, Declan John
 Gardiner, Thomas John
 Gibbons, James Gerard
 Gibson, Andrew Paul
 Giles, Brendan
 Hanley, Justin Gerald
 Hanlon, David
 Heaney, Karl Valentine
 Hickey, Andrew James
 Hughes, Morgan
 Hunter, Patrick David
 Kavanagh, Edward Joseph
 Kelly, Anthony Thomas
 Lawlor, Stephen C.
 Mannion, Conleth Gerard

McCann, Barry Oliver
 McDonnell, Daniel G.
 McGrane, Ronan
 Meagher, Thomas Henry
 Moore, Paul Patrick
 Mulvey, Conor James
 Nally, Eamonn T.
 O'Brien, Mark Thomas
 O'Keeffe, Mark Patrick
 O'Reilly, Kieran Michael
 O'Shaughnessy, Eugene John
 Plunkett, Garry Stephen
 Rawl, James Michael
 Reilly, Clive
 Roche, Marc Fergus
 Sower, John Eoin
 Stone, Niall Christopher
 Treston, Richard Anthony
 Trundle, Steven John
 Walsh, Patrick
 Waters, Gary
 Webb, Rowan William
 Williams, Shane James
 Zaidan, Anthony Charles

Proposer/Moltóir: Murrough Golden

Head, School of Mathematics, Statistics and Computer Science

Diplóma sa Mhatamaitic
Diploma in Mathematics

Tighe, Thomas

**Diplóma Céimí – Bhallraíochta i gCumann Breataineach an Ríomhaire
(Cuid 2)**

Graduate Membership of the British Computer Society (Part 2)

Bergin, James
Byrne, Marie Therese
Caffrey, David
Doyle, Phyllis
Farrell, David
Fitzgerald, Peter
Griffin, Eileen
Kelly, Ciaran
Loane, Peter
Lowe, Kevin
Ludman, Sandor

Lyle, Sandy
Maloco, John
McGouran, Joseph
McGowan, Patrick
Melody, Eugene
Naughton, Susan
O'Connor, Dara
Thomas, Kevin
Walton, Mary
Wedgeworth, Francis
Whelan, Barry

Ballraíocht Cheadúnaíochta i gCumann Breataineach an Ríomhaire (Cuid 1)

Licentiate Membership of the British Computer Society (Part 1)

Brennock, Ken
Farrelly, Gerard
Goaley, Cathriona
Lynch, Jennifer

McArdle, Declan
Sherlock, Robert
Stammers, Robert
Wright, David

**Diplóma Iarchéime sa Ríomheolaíocht (Teicneolaíocht an Eolais Bhainistíocht
Straitéiseach)**

Postgraduate Diploma in Computing Science (Information Technology for
Strategic Management)

Bourke, Damian
Costelloe, Patricia
Doyle, Daniel
Foley, Mark

Fitzpatrick, Ronan
Moore, Wayne
O'Brien, Olivia
Sherlock, Helen

*Proposer/Moltóir: Noel R. Russell
Head, School of Chemistry*

Diplóma Céimí – Bhallraíochta i gCumann Ríoga na Ceimic

Graduate Membership Diploma of the Royal Society of Chemistry (Part I)

Cody, Carmel
Dineen, Elaine
Duffy, Paul Hugh
Eriksson, Ulrika Maria
Fitzgerald, Amanda

Galligan, Mary
Hassett, Mary Martha
McCarthy, Barry
McEnroe, Martina
Tinsley, Alan

Proposer/Moltóir: Vincent Toal
Head, School of Physics

Dioplóma san Eolaíocht Fheidhmeach
Diploma in Applied Sciences

Graduates of this course also qualify for the award of BSc (Applied Sciences) from the University of Dublin with the same classification as achieved in the Diploma in Applied Sciences

Barron, Kevin Edward	Fallon, Donal Patrick
Barry, Glenda Anne	Farrell, Alwyn Ann
Bissett, Vincent	Feely, Declan James
Bolger, Peter	Finn, Gabrielle
Bourke, John Martin	Fitzgerald, Conor
Boylan, Matthew Joseph	Fitzgerald, James
Brennan, Ciaran John	Fitzgerald, Patrick Thomas
Burden, Alexander M.	Galvin, David T.
Burke, Frank	Galwey, Dominic David
Carr, Lorcan Patrick	Gilsenan, Fiona Brigid

McMahon, Ciara Patricia	Scanlan, Ian Michael
McNeice, Lorraine Margaret	Scully, Mark Philip
McNiece, Erica	Sheedy, Eoin Colm
Moore, Noel Patrick	Sloan, Conor James
Morris, Ciara	Smithers, Bryan P.
Moynihan, Alan Richard	Smyth, Cormac James
Mullins, Anita Marie	Spollen, Jonathan C.
Murphy, Declan George	Tierney, Fergal William
Nathan, Fred Andrew	Timmons, Kevin
Neary, Lorcan	Tobin, Pauline B.
Newsome, Jonathan Patrick	Wall, Michael Martin
O'Connell, David Thomas	Walshe, Tríona Mary

Proposer/Moltóir: Anne Marie O'Sullivan
Head of Department of Vocal, Operatic and Dramatic Studies

Dioplóma i Staidéar Uirlabhra agus Drámaíochta
Diploma in Speech & Drama Studies

Friel, Jennifer	Wright, Anthony
Heneghan, Maeve	

Proposer/Moltóir: Eibhlís Farrell
Deputy Principal and Head of the Department of Musicianship

Dioplóma i Múinteoireacht Cheoil (Ionstraime/Gutha)
Diploma in Music Teaching (Instrumental/Vocal)

Coghlan, Alan
O'Sullivan Gallagher, Catherine

Reid, Ruth

Dioplóma Céimí sa Cheol
Graduate Diploma in Music

Graduates of this course also qualify for the award of BMus(Perf) from the University of Dublin with the same classification as achieved in the Graduate Diploma in Music.

Collins, Sinead
Curran, Doreen
English, Mairead
Hanafin, Kevin

Higgins, Louise
Long, Vyvienne
O'Doherty, David
Reck, Stephen

Duaistheoirí 1996 Prizewinners 1996

THE JOHN BROPHY AWARD

Established in 1978 in memory of John Brophy, lecturer in Medical Laboratory Sciences, sponsored by Medical Supply Co., awarded to the best student in the Diploma in Biomedical Sciences.

Caroline Roche

INSTITUTE OF INCORPORATED EXECUTIVE ENGINEERS AWARD

Established in 1980. Awarded to the student with the best project in the Technician Engineering Diploma – Electrical Engineering.

Rory Doyle

TELEMECANIQUE AWARDS FOR AUTOMATION

Established in 1987. Awarded to the students with the best overall Programmable Logic Controller Project in the Technician Engineering Diploma – Electrical Engineering.

Patrick Walsh
Conor Mulvey
Gary Waters

JOHN M. FORDE MEDAL Established in 1987. In honour of John M. Forde, former Head of the Department of Mathematics. Awarded to the best student in Mathematics in the Diploma in Applied Sciences.

Barry Phillips

AGB SCIENTIFIC MEDAL Established in 1988. Awarded to the best student in Chemistry in the Diploma in Applied Sciences.

Michelle Maher

THE MICHAEL McNAMARA GOLD MEDAL

Established in 1988. In memory of Mr. Michael McNamara, former Principal of the College of Music. Awarded for exceptional talent in the Graduate Diploma in Music.

Doreen Curran (Voice)
Kevin Hanafin (Saxophone)
Louise Higgins (Violin)

INTEL PRIZE Established in 1991. Awarded by Intel Ireland to the best student in Physics in the Diploma in Applied Sciences.

Caitriona Rush

KINDLE PRIZE Established in 1991. Awarded by the Kindle Group, to the best student in Computer Science in the Diploma in Applied Sciences.

William Leeson

THE GEORGE WOODS MEDAL

Established in 1992. Awarded to the student in the Diploma in Biomedical Sciences whose project was deemed to be a significant contribution to research.

Jacqueline Leavy

THE MONICA FAGAN PRIZE

Established in 1992. In memory of Monica Fagan, lecturer in Haematology, sponsored by the staff in the School of Biological Sciences and awarded to the best student in the Certificate in Medical Laboratory Sciences.

Sandra McElhinney

THE INSTITUTE OF ELECTRONICS AND ELECTRICAL INCORPORATED ENGINEERS PRIZE

Established in 1994. Awarded to the best student in the Technician Certificate in Electronics.

Matthew Connolly

DR. J. J. O'REILLY PERPETUAL TROPHY Established in 1994. In memory of Dr. J. J. O'Reilly, former Principal of the College of Music and awarded to the best student in the Diploma in Music Teaching (Instrumental/Vocal).

Catherine O'Sullivan Gallagher

ORACLE CORPORATION AWARD Established in 1994. Awarded by Oracle Corporation Ireland to the student with the best project in Computer Science or Software Engineering in the Diploma in Applied Sciences.

**David Kierans
William Leeson**

PRESIDENT OF THE INSTITUTE OF BIOMEDICAL SCIENCES PRIZE

Established in 1995. Sponsored by the Institute of Biomedical Sciences, London, and awarded to the student with the highest standard throughout the final two years of the Diploma in Biomedical Sciences.

Jacqueline Leavy

Wendy Fletcher

DR. BRENDAN SMITH BURSARY

Established in 1996. Sponsored by the Electricity Supply Board and awarded to the best student in the Diploma in Speech and Drama Studies.

Jennifer Friel

Ceoltóireacht agus Drámaíocht san Institiúid

Tá Coláiste an Cheoil ar an bhfód le níos mó ná céad bliain agus oideachas sa cheoltóireacht agus sa drámaíocht á sholáthar aige an t-am ar fad sin. Tá an-ghaisce déanta aige i bhforbairt na réimsí seo agus meas nach beag tuillte aige dá bharr sin ar fud na hÉireann. Is iomaí céimí den Choláiste a bhain gairm den chéad scoth amach sna healaíona oirfideacha agus a thuill aitheantas agus cáil idirnáisiúnta.

Nascadh an Coláiste leis an Institiúid i 1978 agus ó shin i leith tá sé ina cheannródaí san oideachas tríú leibhéal de bhrí gur fhorbair sé cúrsaí lánaimseartha sa cheoltóireacht, sa drámaíocht, agus i múineadh an cheoil agus na nuirlisí ceoil.

Taobh istigh den Institiúid nua atá againn le os cionn trí bhliain anois, tá ról lárnach ag Scoil an Cheoil agus an Dráma, atá anois in ár nDámh nua na nEalaíon Feidhmeacha, i bhforbairt chultúrtha na hInstitiúide, agus an ceangal air ár n-oidhreacht sa cheol agus sa drámaíocht a chaomhnú agus a mhéadú. Is lán-mhuiníneach atá an Scoil maidir leis na dúshlán atá os a comhair amach, í lán-chinnteach de gur deiseanna iad sin chun a cúrsaí acadúla agus gairmiúla a chur chun cinn an t-am ar fad amach anseo.

Music and Drama in the Institute

The College of Music was founded over a century ago and has since then been offering education in music and drama. It has had major achievements in these areas and has earned enormous respect throughout the country. Many graduates of the College have had glittering careers in the performing arts and earned international recognition and fame.

The College merged with the Institute in 1978 and has since been a pioneer in third level education, developing full-time courses in music, drama and the teaching of music and musical instruments.

Within the new Institute, which we have had for just over three years, the School of Music and Drama which is now in our new Faculty of Applied Arts, has a central role in the cultural development of the Institute and is committed to preserving and enhancing our music and drama heritage. The School is fully confident as it faces the challenges before it, certain in the knowledge that those challenges are opportunities for continuing to develop its academic and professional courses into the future.
