## FÁILTE AN UACHTARÁIN

Tá áthas orm fáilte a fhearadh romhaibh inniu, lá deasghnátha agus ceiliúrtha. Táimid, céimithe, aionna agus baill fhoirne de chuid Dámh na hEolaíochta, cruinnithe in Ardeaglais mhaorga, stairiúil Phádraig ar ócáid bhliantiúil Shearmanas Bhronnta na nGradam.

Is lá iontach é seo daoibh siúd atá ar tí bhur gcéimnithe. Is ceiliúradh é ar fhíorghaisce a d'éirigh libh a bhaint amach trí thalann agus trí dhiansaothar, agus tréaslaím sibh go fial as marc tábhachtach a bhaint amach in bhur saolréanna. Molaim freisin bhur gclanna agus bhur gcairde as a mblianta siúd de dhiansaothar agus de dhúthracht. Inniu, is féidir libhse agus leosan bheith as cuimse bródúil as a bhfuil déanta agaibh.

Tréaslaím freisin mo choghleacaithe féin - bhur léachtóirí, bhur dteicneoirí, agus iad siúd a dhéanann riaradh agus cabhrú eile libh - as na torthaí ar a sárshaothar agus a ndúthracht, ar léiriú sibhse agus bhur ngaisce orthu sin.

Lá fíor-thábhachtach é lá bronnta na ngradam i saol na hInstitiúide de bhri gur marc foirmiúil é ar aistriú nua-eolais agus scileanna chuig glún nua, agus mar sin, ar chur chun cinn na tíre agus a geileagair. Is bunúsach céimithe san Eolaíocht chun ár dtuiscint ar an saol a feabhsú agus chun ár mbeatha ann a fheabhsú. Bainfidh an-chuid de tionscail agus den tsochaí féin leas as bhur n-ábaltacht chun cur leis an tuiscint sin.

Mar chéimithe den DIT tá dóchas orainn go mbeidh sibh bródúil an t-am ar fad as an Institiúid seo, agus mar *alumnus* nó *alumna*, go gcoimeádfaidh sibh spéis in ngach forbairt anseo. Mar is eol daoibh, tá sé de cheangal ar an Institiúid an t-am ar fad an caighdeán is airde a bhaint amach trí caighdeáin acadúla ard-leibhéil a chinntiú agus deiseanna oideachais a chur ar fáil atá insroichte do dhaoine de gach aois sa phobal. Ag glacadh leis go dtagann daoine don bhfoghlaim ag céimeanna éagsúla i rith a saolta, tá ceangal orainn deiseanna staidéir a sholáthar san DIT go páirtaimseartha nó go lánaimseartha trí chúrsaí lá agus trí chúrsaí oíche.

Is í an DIT an chéad institiúid de leibhéal ollscoile in Éirinn a chuir próisis Chinntiú Caighdeán i gcrích maidir lena chuid chláracha uile. Is lárnach é seo chun caighdeáin agus gníomh den scoth a bhaint amach i ngach Scoil agus i ngach Roinn. Earcaítear baill fhoirne den chaighdeán is airde ina réimsí cuí, agus spreagtar iad chun a gcuid eolais a leathnú trí thaighde agus trí fhorbairt. Déanann sé seo ár gcaighdeáin acadúla a ráthú, ach freisin, cinntíonn ábharthacht ár gcláracha maidir le cúrsaí tráchtála, tionsclaíochta agus ealaíona.

Tá athruithe suntasacha taghtha ar an DIT ó thosaigh sibh ar bhur gcuid staidéar, ach tá ceangal orainn dul ar aghaidh an t-am ar fad chun freastal ar riachtanais an tsochaí, fiú is go bhfuil siad sin ag athrú i gcónaí. Deimhníodh le déanaí i gcinneadh an rialtais go dtosóimid ar champas nua don Institiúid a thógáil go luath i nGráinseach an Ghormánaigh. Deis gan réamhshampla is ea é seo chun timpeallacht fhoghlama agus mhúinte a fhorbairt chun freastal ar riachtanais na hInstitiúide, agus eiseamláir a chur ar fáil do lucht oideachais na hÉireann sa 21ú céad.

Tá an chéad chéim de bhur staidéir fhoirmiúla críochnaithe anois, ach tá súil againn go bhfanfaidh sibh i dteagmháil le bhur *alma mater* trí Chumann na gCéimithe, agus go mbuailfidh le chéile arís ag céimeanna eile i rith bhur saolréanna.

## WELCOME BY THE PRESIDENT

I am pleased to extend a warm welcome to you on this day of ceremony and celebration. Graduands, guests and staff of the Faculty of Science are gathered here in the magnificent surroundings of St. Patrick's Cathedral, on the occasion of the annual Graduation Ceremony.

This is a wonderful day for those of you who are about to graduate. It is a celebration of real achievement made possible through a combination of your talents and hard work and I warmly congratulate you on a significant milestone in the formation of your careers. I also commend your families and friends for their years of sacrifice and support – today you and they can be immensely proud of what you have accomplished.

I also congratulate my colleagues – your lecturers, technicians and those in administrative and support functions – on the results of their outstanding work and dedication, which is represented here today by your achievement.

A graduation is a very important day in the life of the Institute as it formally marks the passing on of modern knowledge and skills to a new generation, thereby contributing to the development of this country and its economy. Graduates in Science are key to advancing our understanding of the world and to improving how we live within it, and many areas of industry and society will now benefit from your ability to contribute to that understanding.

As a graduate of DIT we hope you will continue to be proud of this Institute and that as an *alumnus* you will retain an interest in future developments here. As you know, DIT is committed to the pursuit of excellence through maintaining high academic standards and providing educational opportunities which are accessible to all age groups in the community. Recognising that people need to approach learning at various stages of their lives we are also committed to providing the facility to study at DIT on a part-time and full-time basis, through day and evening courses.

DIT is the first national university-level institution to adopt comprehensive Quality Assurance procedures in relation to all its programmes. This is central to our attainment of the best possible academic standards and performance in every School and Department. Staff, recruited on the basis of excellence achieved in their respective fields, are encouraged to advance their knowledge through involvement in research and development. This work not only underpins our academic standards but also ensures the relevance of our programmes to the commercial, industrial and artistic worlds.

DIT has undoubtedly seen significant changes since many of you commenced your studies and we will continue to develop to meet the changing needs of society. In a recent government decision it has been confirmed that we will soon commence development on a new campus for DIT in Grangegorman. This will be an unprecedented opportunity to develop a learning and teaching environment which meets not only the requirements of DIT but which can be a blueprint for education in Ireland in the 21st century.

The first phase of your formal studies is now complete but we hope you will remain in touch with your *alma mater* through our Alumni Association and that we will meet again at various stages throughout your future career.

Dr. Brendan Goldsmith (*President*)
