## REGULATIONS FOR STUDENTS

### ADMISSION

Acceptance for admission to any course or class must be certified on the standard enrolment form by the responsible Teacher-in-Charge or Head of Department, Vice-Principal or Principal who must be satisfied as to the student's ability to profit from the proposed course.

### FEES

The requisite course fees, together with the completed enrolment form, must be lodged in the College Office; the sole certification of enrolment in a course is the Official Receipt for the Course Fees paid. Students whose fees are guaranteed by their firms should obtain from the College Office a guarantee form for signature by their employer.

Entry to any class of a course of study may be made only on presentation to the Lecturer or Instructor in control of the class of the appropriate official course receipt and Class Ticket.

Fees are not refundable except where a class does not form.

### ATTENDANCE

The Vocational Education Committee may exclude any student from the College without refund of fees for irregular or unpunctual attendance or misconduct, or for any other reason which in the opinion of the College Council justifies exclusion. Three successive absences in any one class subject may lead to suspension from the complete course unless the Principal is informed in writing of the reason.

### CHANGES IN CLASS

The Vocational Education Committee may change any or all of the syllabus, the day and time of meeting of any class and may cancel classes where the enrolment or attendance is considered inadequate. If for some urgent reason a teacher cannot attend or arrange for a deputy, classes may be cancelled without notice.

### CHANGE OF ADDRESS

Change of address or place of employment should be reported to the Office immediately.

### CHANGE OF CLASSES

No exchange of classes may be made without the written consent of the Principal and the recommendation of the Head of Department.

### LOSS OF, OR DAMAGE TO, PERSONAL PROPERTY

Whilst every reasonable precaution is taken, the College cannot accept responsibility for damage to or loss of students' property. Bicycles and motorised cycles brought to the College premises by

students should be locked and placed in the storage spaces where provided. Coats, books, etc., should be clearly marked with the owner's name.

Students who wish to park their cars on the College grounds should apply to the Office for a Student Parking Permit. Only a limited number of such permits will be available.

#### **DAMAGE TO EQUIPMENT AND PREMISES**

The cost of the repair or replacement of College property damaged by a student shall on demand be paid to the College Authority by the student responsible for such damage, or by his parent.

#### **LOCKERS**

A Locker may be hired by full-time students at a fee of 5/- per session. The fee includes a deposit of 2/- returnable only if the key is surrendered within seven days after the expiration of the period of hiring.

#### **SMOKING**

Smoking is not permitted in classrooms, workshops or laboratories or other rooms in the building except where specially approved by the Principal. Smoking is permitted in Students Common Rooms.

#### **SESSIONAL EXAMINATIONS**

Examinations are held at the end of Session in respect of each class subject; no student shall be admitted to the Examinations who has not made at least three-fourths of the possible attendance except in very special circumstances and at the discretion of the Principal. Promotion to a Higher Stage of instruction in any subject is contingent on passing the Sessional Examinations in the Lower Grade.

#### **HOMEWORK**

Students are expected to attempt and submit regularly such homework as may be prescribed by members of the teaching staff. Unreasonable failure in this respect may result in exclusion or transfer to a lower grade.

#### **LABORATORY RECORD**

An Experimental Record Book is required to be maintained by each student of a Laboratory Class; an assessment shall be made at end of Session of each student's progress in Laboratory Techniques and experimental ability which will count in the Sessional Examination in that subject.

#### **TRADE CLASSES**

For admission to Trade Classes proof of actual employment in the trade or certification to that effect from the Official Trade Union of the trade concerned may be requested of the applicant.

## DISCIPLINE

Any member of the teaching staff issuing a directive to any student misconducting himself on the College premises is authorised to enforce disciplinary measures, and the Principal may immediately suspend the student(s) pending a hearing of the charges by the College Council. Students must enter and leave the College buildings in a quiet and orderly manner, and must refrain from making unnecessary noise in corridors or classrooms.

The full co-operation of each student is invited in order to maintain the dignity and discipline of the College.

The attention of all students is directed to the General Regulations for Schools and Classes operating under the Authority of the City of Dublin Vocational Education Committee. The Regulations are displayed on the Notice Board in the Hall.
