A black and white illustration of a hand holding a pencil, positioned behind the text 'NOVEMBRE' and 'NOVEMBER'. The hand is shown in profile, with the pencil held between the fingers. The drawing uses cross-hatching and fine lines for shading and texture. The pencil is pointing towards the right, and the hand is positioned as if about to write or has just finished writing. The illustration is partially obscured by the text, particularly the 'NOVEMBRE' and 'NOVEMBER' lines.

BYE-ELECTIONS

At present the S.U. EXEC has only one of six non - sabbaticals filled. For the S.U. EXEC to do its stuff it needs a full team of officers . It isn't all hard work so think about it. More info on the elections will be available soon. (see page)

CLASS REPS

The CLASS REP system is thee most important area of student representation in Bolton St. A Class Rep as the name suggests is a representative for their class in the Students Union and in college Departments. The class rep. system is a vital link in communication between the S.U., College authorities and the Student Body. Being a class rep is not a hassle. The class rep system is organised in such a way as to be as user friendly as possible. The class with a rep gets places the class without one may not.

"THE 3 SHEEP"

An attempt shall be made by the S.U. office to provide a Newsletter every 2-3 weeks with the first edition out on Wednesday The 26th of October. The Newsletter, to be known as "THE 3 SHEEP" will contain news, views, reviews, side view, any view you want.

Now (getting straight to the point) like it or lump it some of ye are going to have to get involved in the production of the Newsletter. Those people who wish to get involved in the most radical publication this college has ever seen should meet in room 136 on Monday the 10th of October at 1:30. Also any Club/Society Rep should also attend to be briefed (Boxered) on how to get involved in 'THE 3 SHEEP'.

THE S.U. + ENTS.

The S.U. at the moment is going o.k. During the Summer months, monies that were generated through ENTs (primarily) were used to revitalise the S.U. Social area. Whether it's like a creche or not, it's clean, comfy (all the 'c' words come to mind) and was paid for by you (The Student Body). This year B.St. S.U. ENTs will be hoping to provide top quality ENTERTAINMENT at as little cost to the S.U. as possible. Artiste's like "ZAK POWERS" and "CELTIC POSSE" do not come cheap. The S.U. will continue to provide as diverse and popular an ENTs as possible. The ENTS BOX beside the S.U. juke box is there so as to allow ye to tell us what ye want. Please tell us (even if its good)
THANKS B.ST.S.U. ENTS.

CHAPLAINS

We want to welcome you [AGAIN] to D.I.T. Bolton St. and hope that you have settled in some what by now. You have a very caring staff here, Academic, Administrative, S.U., Counsellors, Porters and so many others. If you are experiencing any difficulties make contact with any of these people.

We, the Chaplains, are also available 9-5 Mon-Fri.

Moving from 2nd to 3rd level education is a big step and for some this adjustment can be stressful. If this is the case you are not alone. You might find it helpful to talk it out and we are here to listen.

Loneliness is another factor that students sometimes experience. If you find yourself walking the corridors of the college carrying a burden or problem do talk to someone. The CHAPLAINS ARE HERE FOR YOU. We hope you have a great year.
