## Communication

Do you need The Three Sheep, Do you need the notice boards , Do you keep up to date on whats going on in the S.U.?, Recently at the last meeting of D.I.T. Student Council amny queries were raised regarding the level of communication between the D.I.T. Exec and the student body. Many felt the level of communication between the two was poor to say the least.

Therefore it was decided by the meeting that minutes of future should be plected on a prominent notice board in colleges so that students will get first hand information regarding exec meetings. As with local exec meetings of B.St.S.U. , at the last meeting of the Exec it was decided to increase the no. of editions of "The Three Sheep" and to increase the amount of information on the S.U. that is contained in each edition.

Furthermore, if you have any opinion regarding the level of communication in the S.U. and the amount of info. you receive through your Class rep. and 'The Three Sheep', please contact someone in the S.U. or your Class Rep., as this is an issue which will be brought up at the next rep meeting.

# D.I.T. Council

At the first quorum meeting of The D.I.T. Student Council subjects from motions for U.S.I. congress to a briefing on D.I.T.S.U.'s Policy on free fees were discussed.

Colman Byrne president D.I.T.S.U. briefed the meeting on the work that the S.U. had been involved in during the year. Also Colman informed the meeting on the recent stunt performed by D.I.T.S.U. Sabbaticals at Dail Eireann on the 24<sup>th</sup> of February. The meeting agreed on a policy on The Free Fees issue, the policy demands higher grants, raising of threshold levels of assessed parents income and also for an increase to be made on the amount of money available to students under the Government's hardship fund along with an introduction of free fees.

Many students queried the level of communication between the D.I.T.S.U. Exec and the student body and it was agreed that minutes of D.I.T.S.U. Exec meetings should be posted on noticeboards in each college.

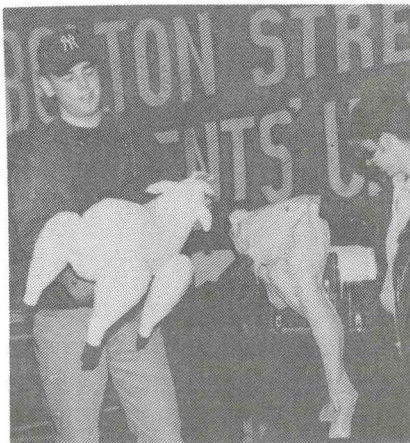

Furthermore any person who wishes to find out anything regarding D.I.T.S.U. Council should feel free to contact their local S.U.
