The Committee decided to nominate the following list of Extern Examiners for appointment by Council for Certificate and Diploma examinations in 1979:-

MLS Extern Examiners for 1979

(Alternate:	Mr. T. F. McCormack - Dept. of Pathology, Mullingar Co. Hospital)

*The name of a third Examiner for this subject to be discussed with the Institute of Medical Laboratory Sciences, London.

Diploma

<u>Subject</u>	<u>Extern Examiner</u>
Chemistry	Dr. F. Hegarty - U.C.C.
Applied Biochemistry	Prof. D. Hingerty - U.C.D.
Physiology/Molecular Biology	Dr. P. Collier - Q.U.B.
Clinical Chemistry	Dr. H. Grimes - U.C.G. Vacancy
Medical Microbiology	Prof. J. Flynn - U.C.G. Vacancy
Histopathology	Dr. P. Fitzpatrick - Dept. of Pathology, Jervis Street. Vacancy
Haematology & Blood Transfusion	Prof. I. Temperley - T.C.D. Vacancy

The names of four practitioners to fill the four vacancies to be subject of further discussion between the NCEA and the Institute. The feasibility of having the U.K. Assessors acting as NCEA Extern Examiners for the four disciplines in question should be examined further in discussions with the Institute.

With regard to the third examiner for Medical Laboratory Sciences in Certificate programmes, it was pointed out that if Messrs. Hickey and McAllister acted, the third examiner should desirably have a Clinical Chemistry background and if Messrs. Hickey and McCormack acted the third examiner should have a Medical Microbiology and Histology background. It was also pointed out that difficulties could arise in regard to a U.K. Extern assessing and attending practical examinations.
