MARJORIE'S KITCHEN

Part 3

Marjorie Morrow-Nolan

Foreword

HAVING known Marjorie for the last couple of years, and seeing the dedication that she has to her art, it was with great pleasure that I accepted the chance to write this foreword to her book.

Like myself, she has always had a dream of sharing her talents with others, and so it is great to see that dream realised between the covers of this book.

Whether you're a culinary expert, or someone who almost needs a bicycle pump to make their bread rise, I have no doubt you will find something in here to impress your friends with, and at the same time, satisfy their taste buds.

So roll up your sleeves, put on your apron and get stuck in! I know you'll be thrilled with the results.

I give this "Mysterious Woman" a big 'douze points'.

Happy cooking:
