SINN FEIN (GARDINER PLACE)

NATIONAL COLLECTION 1975.

OUR AIMS.

We stand for the overthrow of American and British Imperialism in Ireland.

We stand for an independent Irish Socialist Republic.

We oppose all foreign financiers, speculators, monopolists, landlords, and their native collaborators.

We place the right of the common man before the right of property.

We claim the ownership of the wealth of Ireland for the people of Ireland.

NATURAL RESOURCES..

Sinn Fein has played a leading rôle in the campaign to maintain State Control over our Natural Resources. In our publication 'The Great Irish Oil and Gas Robbery' we showed what the blatant exploitation of our Resources by the multi-national companies means to the Irish citizen. Instead of a massive programme of industrialisation based on our oil and gas and mineral finds, we can only expect a hole in the ground and a deserted oil rig when the multi-nationals have exhausted our resources potential.

OIL REFINERY.

In line with our policy on Natural Resources Sinn Fein supports the siting of an oil refinery in Dublin Bay. We believe Ireland must have full capacity to refine her own oil to break the stranglehold of the multi-nationals.

E.E.C.

Sinn Fein opposed Ireland's entry into the EEC and maintains that it is one of the main contributors to Ireland's present economic crisis. The interests of the Irish working class will always be in conflict with the interests of Big Business. The EEC represents the interests of Big Business.

NORTHERN IRELAND.

In the face of extreme pressure from right-wing and ultra-left elements Sinn Fein has consistently pursued a policy of non-sectarianism and involvement in working-class organisations. The recent physical attacks on our members by both right and ultra-left serve to show the serious threat we pose to those people who claim to speak on behalf of the Irish-working class. Our basic demands for unity, peace and civil rights for the Northern Ireland working class have met with an overwhelming response from all sections of the community.

PEARSE CUMANN.

NATIONAL COLLECTION.

WE ASK FOR YOUR GENEROUS SUPPORT!

Throughout the year the Pearse Cumann has been active locally in -;

(1) Exposing the conditions in which private flatdwellers have to live. Our party is the only political organisation which is carrying on a continuous campaign for legislative change which would guarantee the flat dweller protection against unscrupulous landlords.

(2) The Pearse cumann has been active in demanding that all parks be publicly owned with access for all citizens and was instrumental in highlighting the campaign for the purchase of Belgrave Square by Dublin Corporation.

(3) Sinn Fein has distributed leaflets on unemployment in your area. We have been actively opposed to the closure of factories such as Brittains .

(4) The Pearse Cumann produces a free monthly newslatter "Southside News". It includes articles of both local and national interest. "Southside News" is the successor to "Dublin Six" the popular local community magazine.

(5) Our national newspaper the "United Irishman" is sold in your area every month.

(6) Our candidate Peigin Doyle contested the last local elections in this area. Although she was not elected, the large number of voyes she did receive indicates that there is considerable support for our policies in the area. For advice on any issiue Peigin can be contacted any Wed. night at the Pearse Cumann address.
