The following is the second submission of resolution re. the Dublin Comhairle Ceanntair document for 1975 programme of work.

1. Role of Organisers:

The following is to be listed as No. 1, and the numbering of the others will be changed accordingly:

"The organiser is to be a political organiser and co-ordinator of all members with the department or organisation, and is to develop an effective political programme within each organisation to be submitted to the Comhairle Ceanntair for approval."

2. Conclusions:

1. The following is to be added to no. 1 so that the sentence reads as follows:

To be added: "...planned political direction and leadership..."

Full sentence: "The success or failure of any programme of work for the year will depend on ~~the~~ planned political direction and leadership, and initiative, enthusiasm and hard work of the membership."

3. This section should be totally deleted.

4. The two following resolutions to be listed as no. 1 and no. 2 respectively:

1. The immediate implementation of the reorganisation ~~plan~~ document and programme

2. internal education and the training of education officers.

--letter D. is combined in the resolution no. 2 above and can be deleted

--Letter G. should be deleted as it is not a "task facing the movement," and it should be submitted separately as a statement.

--the remaining other "tasks" should be re-lettered accordingly, following behind the submitted two resolutions above.

E. O'Broin, chairman
