Dear Guest

We invite you to enjoy Chef Colin’s Tasting Menu for €55.

The set Tasting Menu has a choice of Main Course and Coffee or Tea included.

We recommend the entire table to select the Tasting Menu.

Thank you, Chris & Colin

A short description of items from our tasting menu follows. We are also happy to provide a detailed description of the creation of each dish as a memento.

1. **Cured Organic Salmon:** The main difference between organic salmon and farmed salmon is the food they are fed. Organic salmon is fed only on organic food, with no genetically modified additives. Salmon are also reared in much larger pens than regular farmed salmon, allowing them more space, to thrive. We cure the whole salmon fillets in a wet cure, made up of water, vinegar, sugar, salt, various spices, coriander and fennel. The salmon is cured in this mix for 18 hours, then removed from the cure and left to dry in the fridge for a further 24 hours. We then portion it and serve.

   **Allergens:** Gluten, Egg, Nut, Sulphur, Dairy, Mustard

2. **Slow Cooked Beef Cheek:** Beef cheek is the facial cheek of the cow. We slow cook the cheek at 125°C for 3-4 hours, with vegetables, herbs, spices, red wine and beef stock. We reduce the cooking sauce and reheat the cheek in this for service, until they are glazed.

   **Allergens:** Dairy, Celery, Sulphur, Gluten, Egg

3. **Apple & Cucumber Sorbet:** This is water ice made from Granny Smith apple and cucumber juice. We mix it with a light sugar stock syrup and freeze. It is a palate cleanser, so not to sweet.

   **Allergens:** None

4. **Turbot:** Often referred to as king of the sea and regarded as one of the best flat fish. Turbot has firm white flesh, similar to halibut. It has a more pronounced fishy taste and more flavour. We pan fry it in oil and butter until golden brown.

   **Allergens:** Shellfish, Egg, Dairy, Sulphur, Celery, Gluten
