FitzGibbon

A mouth-watering collection of recipes from the British Isles—  
accenting both traditional and modern dishes

A.O.B.C.  
\$4.95

*A royal collection of recipes — both classic and contemporary — from the British Isles.*

# The Art Of *BRITISH* COOKING

## Theodora FitzGibbon

From Elizabethan and Victorian dishes to modern English, Scottish, Welsh, and Northern Irish cuisine, this latest addition to the “*Art of . . .*” series is a flavorful tour of British food and history.

Britain’s centuries-old tradition of fine cuisine was temporarily interrupted in the large cities by serious food shortages during the two world wars; however, in country districts where food shortages were less severe, the English tradition of fine cooking has been handed down from mother to daughter. Theodora FitzGibbon has spent many years researching this tradition and now offers this book as a guide to Britain’s delicious culinary history, where to find this food today, and how to prepare it in American kitchens.
